FOR BIBLICAL
UNITY

Church Partner Program

We are here to help you shepherd your congregation with biblical clarity and courage on race, justice and unity.

We get it, pastors.

You are balancing sermon prep, staff leadership, and the care of real people. You do not have time to research every hot-button issue that lands in your inbox, your youth group, or your elder meeting.

The Center for Biblical Unity exists to come alongside you. We follow the cultural trends, test them against Scripture, and distill them so you can stay focused on discipling your congregation.

When your church partners with us, two things happen.

You help us keep producing biblically sound resources.

And you receive practical support to help you coach your team and evaluate cultural ideas through a biblical worldview.

Vision

A Christ-centered Church, grounded in Scripture and united by the gospel, where pastors can disciple with clarity and confidence. We want congregations that affirm the equal dignity of all people as image-bearers of God, reject ideologies that undermine biblical teaching, and display the reconciling power of Christ across every tribe, tongue, and nation.

Mission

To serve and equip local churches so pastors and leaders can remain faithful to the authority and sufficiency of God's Word when cultural pressure and ideological confusion arrive at the church door. We provide biblically sound teaching, resources, and counsel that keep the gospel of Jesus Christ as the foundation for justice, human dignity, and unity.

Why pastors partner with us

Faithfulness to Christ requires clarity in confusing times. We come alongside pastors who are committed to the authority of Scripture and need a trusted outside voice on justice, identity, and unity. We do not replace the local church. We resource it, so you can lead without compromising the Word and without carrying the research load alone.

Our Core Values

Biblical Authority

The Bible is the inspired, inerrant, and sufficient Word of God, and the final authority for faith, doctrine, and practice.

Gospel-Centered Unity

True unity in the Church flows from reconciliation with God through Jesus Christ, not from shared political, ethnic, or ideological identities.

Imago Dei

Every human being is created in the image of God and possesses equal dignity and worth. That is the biblical foundation for justice and love of neighbor.

Doctrinal Discernment

We identify, expose, and reject unbiblical and secular ideologies that compromise the gospel and confuse the Church's witness.

Faithful Discipleship

The local church is God's primary means of forming believers. Our role is to support pastors as they equip their people to live faithfully in a fallen world.

How We Serve Your Church

Partnership is designed to help you navigate polarizing issues without adding another full-time job to your plate. Your church receives:

PROFESSIONAL DEVELOPMENT TRAINING

In-person or virtual workshops for leadership teams, staff, or volunteers. We help your leaders form a biblically-faithful approach to race, justice, and unity so they can guide the congregation with confidence.

SMALL GROUP CURRICULA

Ready-made studies you can hand to a leader.

Reconciled: A six-lesson Bible study with workbook and teaching videos for developing biblical unity in a small group.

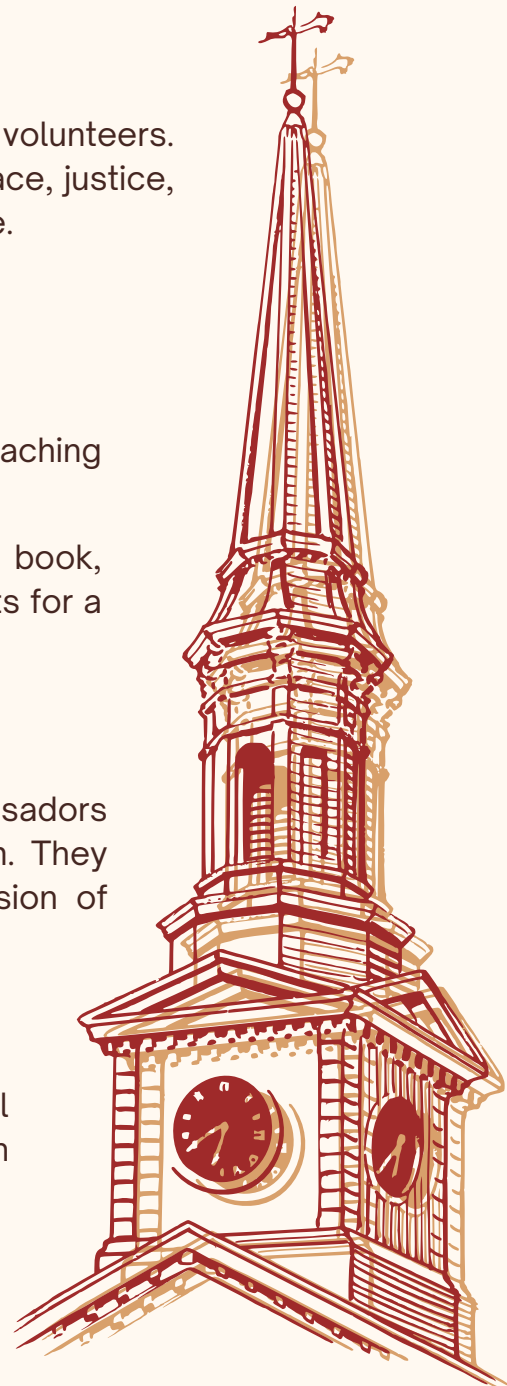

Walking in Unity: An 11-lesson program built around our book, *Walking in Unity*, with teaching videos and discussion prompts for a gospel-centered approach to ethnic unity.

AMBASSADOR PROGRAM

One staff member or key lay leader trained through Ambassadors for Biblical Justice, a nine-month virtual mentoring program. They return better equipped to champion a Scripture-rooted vision of justice in your church and community.

CONSULTING SERVICES

We work with your leadership to review work culture, internal policies, public statements, and hiring practices so they align with biblical principles and protect doctrinal fidelity and trust.

Next Steps

We invite your church to partner with the Center for Biblical Unity by sponsoring the ministry at \$500 per month as part of your missionary outreach.

In exchange, your church receives access to an array of support services and resources. Your partnership also funds new curriculum and training workshops, so other pastors have the same help when cultural confusion reaches their churches.

This is not merely a donation. It is a way for your congregation to stand with a ministry that exists to serve the local church, and a way for you to have a trusted resource when the next difficult conversation arrives.

We would be honored to talk with you about how we can support your leadership team.
