

AMBASSADORS FOR BIBLICAL JUSTICE

*Equipping Christians to Advance Biblical Justice
in Their Communities*

2026-2027 Cohort

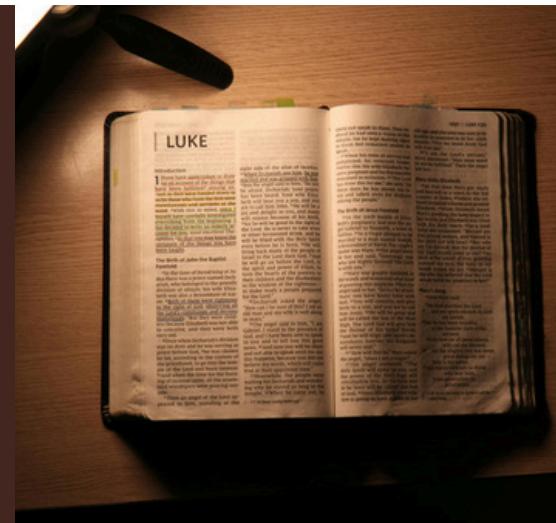

Overview of Program

At the Center for Biblical Unity, we're passionate about equipping Christians to live out your faith with courage, conviction, and compassion—tackling today's cultural challenges through a distinctly biblical lens.

We're thrilled to launch **Ambassadors for Biblical Justice**, a nine-month virtual mentoring program that trains Christian laypeople to champion a Scripture-rooted vision of justice. You'll gain the wisdom, humility, and practical tools needed to make a real difference in your community—all grounded in the historic Christian worldview.

Vision

In a world torn by division and competing ideas of justice, the Ambassadors for Biblical Justice program equips you with theological clarity and practical tools to unite believers around God's unchanging standards. Rooted in Scripture's command to "do justice, and only justice" (Deut. 16:20), you'll grow confident in advocating biblical justice through curated readings, rich discussions, personal mentorship, and a hands-on capstone project.

Objectives

Critical Thinking

Engage cultural issues thoughtfully through key readings and guided discussions.

Theological Depth

Build a rock-solid biblical foundation for understanding justice.

Lifelong Connections

Belong to a vibrant cohort of believers for encouragement, accountability, and shared growth.

Real-World Action

Launch biblically grounded justice initiatives in your own community.

Structure

We're now accepting applications for our inaugural 2026–2027 cohort—limited to just 25 participants for an intimate, transformative experience.

- Join facilitated discussions and receive personal mentorship from seasoned Christian leaders
- Participate in three extended workshops on Gospel-centered community renewal
- Design and launch a capstone project—a local justice initiative tailored to your community (e.g., church outreach or service project)

Investment

The program fee is \$750, which covers all mentoring sessions, workshops, facilitated discussions, and ongoing support throughout the nine months.

We recognize this represents both a financial and time commitment—nine months of focused study, discussion, and application. Yet many participants in similar programs describe this season as one of the most fruitful investments they've ever made in their spiritual growth and Kingdom impact.

For less than the cost of a daily coffee over the program duration, you'll gain lifelong tools to advance biblical justice, deeper theological confidence, meaningful relationships with like-minded believers, and the joy of seeing real change in your community. This isn't just a course—it's an investment in becoming the ambassador God has called you to be.
