## Mission

The mission of the Center For Biblical Unity's Church Partnership Program is to serve and equip local churches to remain faithful to the authority and sufficiency of God's Word in the face of cultural pressure and ideological confusion. We partner with pastors and church leaders to provide biblically sound teaching, resources, and counsel that uphold the gospel of Jesus Christ as the only true foundation for justice, human dignity, and unity within the Church.

## Vision

Our vision is a Christ-centered Church, grounded in Scripture and united by the gospel, boldly proclaiming biblical truth in a divided world. Through strong partnerships with local congregations, we envision churches that disciple believers with clarity and confidence, affirm the equal dignity of all people as image-bearers of God, reject false ideologies that undermine biblical teaching, and faithfully display the reconciling power of Christ across every tribe, tongue, and nation.

Co-Founder and Vice-President

## Why Partner With Us?

Churches partner with the Center For Biblical Unity because faithfulness to Christ requires clarity in confusing times. We come alongside pastors and church leaders who are committed to the authority of Scripture and who desire discernment in addressing cultural ideologies that distort biblical teaching on justice, identity, and unity. Through trusted partnership, sound theological resources, and practical guidance, we help churches disciple their congregations with confidence and display gospel-centered unity rooted in truth rather than cultural pressure.

# Our Core Values

---

## Biblical Authority

We affirm the Bible as the inspired, inerrant, and sufficient Word of God and the final authority for faith, doctrine, and practice.

## Gospel-Centered Unity

True unity in the Church flows from reconciliation with God through Jesus Christ, not from shared political, ethnic, or ideological identities

## Imago Dei

Every human being is created in the image of God and possesses equal dignity and worth, which forms the biblical foundation for justice and love of neighbor.

## Doctrinal Discernment

We are committed to identifying, exposing, and rejecting unbiblical and secular ideologies that compromise the gospel and confuse the Church's witness.

## Faithful Discipleship

We believe the local church is God's primary means of forming believers and equipping them to live faithfully in a fallen world.

By partnering with us, your church will receive the following services to help you navigate culturally polarizing issues and equip staff and members for tough conversations through a biblical worldview:

**Professional Development Training:** In-person or virtual workshops for leadership teams, staff, or volunteers to develop a biblically faithful approach to race, justice, and unity, empowering leaders to guide their congregations through divisive issues. Equip your church to walk in unity and address cultural issues with biblical confidence

## **Small Group Curriculum:**

*Reconciled:* This six-lesson Bible study includes a workbook and teaching videos to help develop biblical unity within a small group environment.

# Next Steps

We invite you to partner with the Center for Biblical Unity by sponsoring our ministry for \$500 per month as a component of your missionary outreach. In exchange, your church will receive access to a variety of support services and resources from our team. Your support will, in turn, help us fund the development of new curriculum and training workshops, enabling your church to play a vital role in our mission to bring healing to communities divided by race.

By partnering with us, your church joins a global movement to redefine conversations about race and justice according to Scripture, fostering love and unity within the Body of Christ. We would be honored to discuss how we can collaborate with you and be of mutual support to one another.
